- Campaign Analysis

1st Project

Case Study 1 - Kuli-Kuli Snack Brand Marketing Funnel

Product

Traditional Nigerian snack made from groundnuts with sweet and spicy flavors.

Business Goal

Increase both:

- Retail sales
- Wholesale distribution

Strategy

Two campaigns were designed.

Campaign A - Retail Buyers

- Target Audience
  Students, workers, snack lovers (18–40 years).
- Platform
  Facebook & Instagram Ads
- Budget
  ₦5,000/day
- Goal
  Drive WhatsApp orders.

Campaign B - Wholesale Buyers

- Target Audience
  Resellers and shop owners.
- Budget
  ₦3,000/day
- Goal

Retargeting Strategy

Three audiences targeted:

1. People who clicked but didn't buy
2. People who engaged with posts
3. People who inquired but didn't order

This improves conversion and repeat purchases.

2nd Project

Case Study 2 - EGE FARM Organic Vegetable Marketing Strategy

Business Overview

Organic vegetable farm located in Ilorin, Nigeria.

Problem

Local consumers struggle to find fresh organic vegetables, and many market vegetables contain chemical residues.

Objective

- Generate qualified leads
- Increase vegetable sales
- Build a trusted local farm brand

Strategy

Marketing funnel created:

Awareness

- Instagram and Facebook content

Lead Generation

- Facebook lead ads

Conversion

- WhatsApp orders
- Discount bundles

Retention

- Customer follow-up messages

Campaign Example

Facebook Lead Generation Campaign

- Target:
  Ilorin residents aged 23–55
- Budget:
  ₦5,000/day for 14 days

Results (Projected)

- 240 leads
- 65 orders
- ₦1.3M revenue
- 27% conversion rate

Key Learning

Digital marketing can help local farms reach urban customers directly and increase sales.

Marketing Proces

Title: **My Marketing Approach**

Step 1: Market Research
Identify customer needs and problems.

Step 2: Audience Targeting
Define demographics, interests, and behaviours.

Step 3: Campaign Strategy
Design marketing funnels and ads.

Step 4: Conversion System
Use WhatsApp, landing pages, or calls.

Step 5: Optimization
Track performance and improve campaigns.
